Mysterious Death.—Several weeks since a worthy young man, named Chas.
Choller, son of Mr. John Choller,

(For the Journal.) ON THE HEIGHTS.

Peep into Bertha Montealm's Life Five Years Subsequent to her Appearance in the Mountain Village.

Our ambitious heroine did not tarry long the region in which she made her debut, o disheartning; nor did she pine by the wayside in any part of the universe. She continued the circulation of written bills several months; chose larger places for her performances, and learned every day some valuable things from that best of teachers building, opposite the Exchange Hotel, and |-Experience. If she perceived certain selections were destined to have a very short run, she changed them, and exercised process by which the beds are made good so much delicate consideration in her choice as new without injury to the feathers. Call of themes, that everyone, even in the larger cities, found something in her entertainments adapted to their taste. At the expiration of one year a comfortable share ers of the Perrysburg Savings and Loan of this worlds goods and a host of true, ap-Saturday, May 6th, the annual meeting of and proved the insuiration of many a brigh

In Chicago, particularly, Bertha always won the cordial reception she struggled faithfully to win everywhere. The Chicago people are, as a general rule, (of course we refer only to the most enlightened class) child of genius, and eagerly extend to then a helping hand; and many a sweet, mothchord in Bertha's nature and made her bow in fervent adoration at the thrown of grace, realizing always to the bountiful giver of every perfect gift she was indebted for the cious crown of success.

Five years have glided smoothly onward Blade for opposing the building of the She stands minus a rival. Her triumphant agents, bridge at Waterfills at though them was but one side to the question. The Journal would have gained the Blads article, without comment, true womanhood. But our Bertha is not for which the Sentinel says " the Journal too at all intoxicated or made foolish by prosseeking lonely homes and mitigating the pain of those less favored than herself. Many a toil-worn foot-ball of fate has found consolation in her purse and telling letters of recommendation, and last but not least

her prayers, the magical sunlight of bliss. When Bertin becomes weary of her trying labor and feels temporary seclusion i imperatively necessary, she finds all she requires in a charming cottage home in Cincinnati, purchased with her own means and presided over by an indigent widowed friend to whom our Bertha has proved even in her own dark hours an unfailing helper. I wish you could all share on privilege and feast your eyes upon the beauties of our herome's home. Everything calculated to please a highly cultivated mind is there in profusion. Bertha is a connoisseur in paintings, and her gallery dazzles the eye of many an artist. An extensive library and aquarium also com-bine their attractions with the rich and highly varied conversational powers of the outhful hostess. When at home, her parors are thrown open to the curious public uce a month, and once a week a favored few are received and a delightful time is experienced by all who attend.

lainty. She is not always as successful in when she will be as notable a housekeep

By the way it is rumered she will soon take a farewell benefit. A dashing your military hero has almost coaxed her into the notion of enrolling under his command and accompany him to the wild frontier. Lovingly, we'll leave her, and you, too,
